

**COVID-19 Vaccine
Follow-up Drive-through
SECOND ROUND DOSES ONLY**

February 3, 2021
12:00 – 4:00 PM

Stephens County Hospital will host a Vaccine Drive-through on February 3, 2021 to administer **second doses** to all those who received a first dose at our Vaccine Drive-through that was held on January 13, 2021. Only those who received a vaccine at the January 13 drive-through will be allowed at the February 3 follow-up drive-through. Those coming to receive their second dose should arrive according the schedule below based on alphabetized last names:

Time of Arrival	Last Names
12:00 - 12:30	A-C
12:30 - 1:00	D-F
1:00 - 1:30	G-I
1:30 - 2:00	J-L
2:00 - 2:30	M-O
2:30 - 3:00	P-S
3:00 - 3:30	T-V
3:30 - 4:00	W-Z

Do not arrive early. Registration and triage will move much quicker than the first drive-through since we are only administering second round doses at this drive-through. All traffic will enter on Hansen Road in the same manner as the last drive-through. Please arrive with your ID, the vaccine card you were given at the first drive-through, and your insurance card. If you have a Medicare Advantage Plan, please bring your original Red, White, and Blue Medicare Card. We look forward to seeing you all there!

We are working to organize another drive-through for first round doses and will update you as soon as plans are finalized.
